

Dear Sir

Pot calling kettle black comes to mind when reading a letter from Simon Renwick. "Labour have over-spent...and as a result the public finances are in a mess", says the Fylde Portfolio Holder who is in the present ruling group with a current overspend of £1.2 million, and in Kirkham, is responsible for an increase of 22% on our council tax – yet he says "give people power through local referendums to stop large council tax rises"

This cabinet has closed our One Stop Shop, given Kirkham baths a 12 month closure reprieve and is intending closing St. Annes baths in just over 3 months. We are losing our precious public amenities because of incompetence and overspending by the chosen Cabinet.

People in glass-houses should not throw stones.

Yours faithfully

Elaine Silverwood
Kirkham Councillor
